Referrals = Getting out of Debt Faster!

1. Refer a friend or family member to mpowered.
2. When your referred friend or relative enrolls in our debt management plan, we’ll send your monthly mpowered fee to your creditors (one credited fee per referral).
3. This means we’ll make an extra debt payment on your behalf of up to $50!

Call (303) 233-2773 or email info@mpoweredcolorado.org for more information.
